

Table with columns for identification numbers, names, and various numerical data points. The table contains 121 rows of data, each representing a participant in a competition. Each row starts with an ID number (e.g., 61, 62) and a name (e.g., Posłuszny, Skrzypek), followed by several columns of numbers and some letters, likely representing performance metrics or classification codes. The numbers vary in length and are separated by spaces. Some numbers are highlighted with red dots. The table ends with a few more columns of numbers, possibly representing overall scores or final rankings.
